### Part A: General consent for personal data

We require basic personal data to enroll your child and to ensure their safety and well-being while at school. We collect and process the following information for administrative and educational purposes:

- Personal information: Your child's name, date of birth, and gender.
- Contact information: Your and any emergency contacts' names, addresses, phone numbers, and email addresses.
- Educational records: Your child's progress, reports, and attendance records.
- Medical information: Allergies, dietary requirements, and any special health needs to ensure proper care.
- Special educational needs: Any information necessary to provide appropriate support for your child.

By signing below, you consent to the school's collection, processing, and retention of the above personal data for the purpose of your child's education and care at Kadosh International Christian School.

Consent:

I consent to the use of my child's and family's personal data as described above.

## **Part B: Specific consent for additional data uses**

Please tick the boxes below to indicate your consent for specific, non-essential data uses. You may decline any or all of these options without affecting your child's enrolment.

### **1. Photography and video footage**

The school may take photos or videos of school activities, including classroom time, sports, and performances, for use on our website, social media pages, and promotional materials (e.g., newsletters and brochures).

**Consent:**

I consent to my child's image being used in school publications and on its digital platforms.

**Decline:**

I do not consent to my child's image being used in school publications and on its digital platforms.

### **2. Sharing data with third parties**

We may partner with certain external organisations for specific educational or administrative purposes (e.g., school trips, educational programmes, or external assessments by Government Ministries and Agencies). We will only share necessary data with these trusted third parties.

**Consent:**

I consent to my child's data being shared with third parties for specific educational or administrative purposes (e.g. school trips, educational programmes, or external assessments)

**Decline:**

I do not consent to my child's data being shared with third parties for specific educational or administrative purposes (e.g., school trips, educational programmes, or external assessments)

### 3. Online payment, learning and school management systems.

The school may use digital platforms for payment options, learning, communication, and administration. Your child's name and class details may be stored on these secure systems.

**Consent:**

I consent to my child's name and class details being stored on these secure online systems.

**Decline:**

I do not consent to my child's name and class details being stored on these secure online systems.

#### Parent/Guardian acknowledgement

- I confirm that I have read and understood this form and the school's reasons for collecting and processing personal data.
- I understand that I can withdraw my consent at any time by writing to the school administration.
- I understand that I have the right to request access to the personal data held about my child.
- I will inform the school immediately if any of my or my child's personal information changes.
